

Hi there,

Many thanks for your interest, we would love to have you on board.

We have decided that there will be no theme this year as time is limited. This may help any company's or groups who have done their own show this year, as they may have their own costumes/set which can be utilised saving time and money.

We are asking entrants for a £10 refundable deposit for your own small vehicle, or £15 for a provided smaller truck and £30 for an articulated truck. This secures your truck and is refunded after the event if all terms and conditions are abided by, alternatively you have the option of donating the fee to the poppy appeal which we are hoping most participants will want to do.

You can decorate your truck/float however you wish. We request for safety reasons that you provide at least two Float Walkers, walking alongside the float. I really hope everyone has a safe and fabulous afternoon.

Most of the Organising Committee are new this year, although some of us were involved in 2019 in one way or another, and there is still a couple of members who have been involved for over 20 years. With this said we are still currently putting together entry packs to send out to anyone who wishes to take part.

I'd be grateful if you could send me the name and contact details of your organisation, ready for when they are completed. Please email this for the attention of the Secretary.

Once again thank you so much for your interest in taking part in this wonderful town tradition. Without you it wouldn't be able to happen, and our local community wouldn't be able to benefit.

Kind regards
Steve

Stephen Reely
Chairman
Northfleet Carnival Organising Committee
